ENCLOSURES: Bid Security List

**Background**

The Department of Capital Improvements Program (CIP) received seventeen (17) bids on February 17, 2009, in response to the solicitation for the construction of the, which are reflected on the attached Bid Submittals List.

The scope of work for the project is as follows:

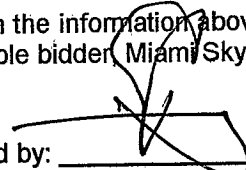

Complete demolition of the existing baseball and softball fields including all existing field lighting and electrical system and the construction of a new combined soccer/football and regulation size pro-baseball fields. The Project includes, but is not limited to, new field work and site amenities such as sports lighting, small storage/electrical room building, landscaping, irrigation and drainage system, bleachers, new walkways, fencing and related work.

**Findings**

CIP has completed its review of the low bidder, Miami Skyline Construction, Inc. and has determined that the company is the lowest responsive and responsible bidder and meet all the minimum requirements as stated in the contact documents: a minimum of five (5) years experience under its current business name, in the construction of similar projects including five (5) separate project references of similar size, scope, and complexity, supported by references within the past five (5) years and self-perform at least twenty percent (20%) of the physical construction work.

**Recommendation**

Based on the information above, we are recommending the award be made to the lowest responsive and responsible bidder, Miami Skyline Construction, Inc.
