The Honorable John Boehner
H-204 Capitol Building
Washington, DC 20515

Dear Speaker Pelosi and Minority Leader Boehner:

We, the undersigned Mayors, support expanding community and national service opportunities for Americans of all ages. In this difficult time for our country, service remains an enduring American value that brings people together and reminds us of the strength of our common bond.

As mayors, we have seen first hand how important community and national service can be to help us address pressing challenges in our cities and towns. Service members are helping schoolchildren build greater academic skills. They are mentoring young people, improving our public parks, assisting the elderly, strengthening access to community health projects, fighting poverty, and acting as role models for us all.

Service also strengthens our democracy. Americans of all ages, from youth to baby-boomers, are volunteering to serve in record numbers. As mayors, we want to capitalize on this new undercurrent of civic engagement, and inspire Americans to stay involved by serving their communities.

Strengthening community and national service during this economic crisis makes great sense. With unemployment soaring among young and older Americans alike, these efforts can put people in productive work and provide skills relevant to re-entering the workforce at low cost to governments and with no new bureaucracy.

We strongly embrace the effort to expand national and community service opportunities as proposed by President Obama and a bi-partisan group of congressional leaders led by Representatives Carolyn McCarthy (D-NY), George Miller (D-CA) and Howard McKeon (R-CA). Cities—home to the some of the nations' most vexing problems—will be partners with states in the promotion of service and the recruitment and deployment of America's volunteers. We urge the Congress to promptly pass and fully fund the bi-partisan Generations Invigorating Volunteerism and Education (GIVE) Act – H.R. 1388.

The time is now to come together through service.

Sincerely,
