

United We Serve

September 11th is National Day of Service and Remembrance.

Mayor Manny Diaz urges all City of Miami employees to participate in this Day of Service and support the President's **United We Serve** campaign.

Please take a moment on **Friday, September 11th** to visit with fellow City staff and volunteers in the MRC lobby **from 11am to 2pm** to learn about service opportunities in our community.

Mayor Diaz challenges each department to strive for full participation of staff in pledging to engage in a community service project before the end of this year.

The department with the greatest percentage of staff who take the pledge will be recognized at City Hall.

Also on September 11th from 11am to 2pm, you are invited to join volunteers in writing letters to servicemen and women. Paper and pens will be provided in the MRC Lobby. We will also be collecting pre-paid calling cards, the #1 request from soldiers abroad.

THANK YOU *for your support of servicemen and women!*
