### **Historic Vote May Revolutionize Coconut Grove Business District --100 property owners take a vote to join forces and improve essential services—**

**(Miami)**— Property owners in Coconut Grove are voting on a plan developed by the Coconut Grove Business Improvement Committee (BIC) on whether or not to pool money together to upgrade police service, sanitation, public lighting, marketing, and other essential services---on top of what is already offered by the City of Miami.

The 14 member committee, chaired by Miami District 2 Commissioner Marc Sarnoff, was formed to improve the quality and financial success of the Grove commercial core.

If passed at 5 pm, on Friday November, 21<sup>st</sup>, the new Coconut Grove Business Improvement District (BID) would be the first of its kind in the City of Miami.

Commissioner Sarnoff will be available for comment following the vote at 5pm.

For more information please call Commissioner Sarnoff's office at (305) 250-5333.
