COMMISSIONER MARC SARNOFF SUPPORTS ANTI-DRUG CAMPAIGN INITIATIVE

(Miami, FL) - Commissioner Marc Sarnoff along with The Coconut Grove Ministerial Alliance, Milam Markets, and other Community Organizations, will gather at Greater St. Paul AME Church located at 3780 Thomas Avenue in Coconut Grove on Tuesday March 4, 2008 at 11am. This gathering is for the installation of the first of 14 Anti-Drug signs that will be installed on the edifice of many of the Coconut Grove Village West Churches.

The signs will read, "DEALERS DESTROY COMMUNITIES, REPORT DRUG DEALERS TO 305-579-6111".

The Coconut Grove Ministerial Alliance is organizing and conducting an Anti-Drug, Anti-Crime Campaign which will focus on helping residents understand how to participate in getting drugs out of the community, as well as telling them how to get drug-addicted loved ones help and treatment. The Ministerial Alliance will also provide strong support and counseling to aid family members whose loved ones are using drugs. Ministers have pledged to use their pulpits to send a strong message that the Community (families and individuals) must confront this devastating ill that is affecting our society.

Max Milam has been an outstanding corporate citizen and has contributed to many worthy causes and organizations in Coconut Grove. Milam's Market has, once again, responded and donated \$7,000.00 for the purchase and installation of the signs.

They will continue to work with the Coconut Grove All Grove Crime Watch Committee to establish Crime Watch Blocks, participate in Court Watch and host a youth Anti-Drug/Crime forum.

For more information, please contact the Coconut Grove Ministerial Alliance President, Reverend Kenton Williams at 305-788-8710.
