(Miami, Florida)- The Office of City of Miami Commissioner Marc D. Commissioner Sarnoff and his team faced off with the Office of Commissioner Joe Sanchez in a softball challenge. Commissioner Sarnoff's team won the game with a score of 19 to 10

The softball challenge was proposed by Commissioner Sarnoff during a commission meeting to settle a 'disagreement' with Commissioner Sanchez about which district is truly the best in the city. The teams included at staffers and other City employees. **Pro Baseball player Alex Fernandez was the Celebrity umpire** together with City Manger Pete Hernandez.

The trophy cup will now sit in Commissioner Sarnoff's office until the next game, tentatively slated to take place in about three months against another Commissioners office. The District 2 team also donated \$500 to the Boys and Girls Club in the neighborhood.
