Commissioner Marc D. Sarnoff Successfully Passes Tree Ordinance

(Miami, FL.)- Commissioner Marc D. Sarnoff, during this week's Commission meeting, passed a resolution from his District 2 agenda in which the tree ordinance for the City of Miami was strengthened by the doubling of fines, requiring additional funds to replace trees, and the ease of prosecution for repeat offenders.

"This ordinance will ensure the City of Miami's recent passing of its Tree Master Plan to increase the city's tree canopy by a minimum of 30 percent by 2020 will withstand the Developer's ax," said Sarnoff.
