

Home Fire Escape Plan Worksheet

Step 1: Get your family together and draw a floor plan of your home, marking all windows, doors and smoke alarms.

Step 2: Show two ways out of each room in case your main route is blocked by smoke or flames. Make sure windows can be opened easily.

Step 3: Agree on an outside meeting place where everyone will wait for the fire department.

Step 4: Install smoke alarms in or near every sleeping area and on each level of your home. Test them once a month so you know they're working.

Step 5: Practice your plan at least twice a year.

Step 6: If your smoke alarm sounds, get out fast! And once out, stay out - don't go back inside for any reason!
