RSVP:

To RSVP, please contact Andres Rivero:
(305) 250-5420 / arivero@miamigov.com

One of our city's greatest assets is our unique access to Biscayne Bay. In particular, thousands of residents enjoy the beaches, bike trails, and bay walks that are accessible along the Rickenbacker Causeway.

This Earth Day, in partnership with Miami-Dade County's annual "Baynanza" event, we will be cleaning up trash along the Rickenbacker in order to preserve the health of some of our most important public waterfront spaces.

Please join me in this effort to keep the Rickenbacker clean and accessible to all our residents!
All are welcome to come out for a morning of fun and service. I look forward to seeing you there!

Warmest regards,
Commissioner Francis Suarez
City of Miami, District 4

All volunteers will be provided with clean-up tools and a free t-shirt. Certification of community service hours will be provided upon request. If you plan on joining us, please contact Andres Rivero at (305) 250-5420 or arivero@miamigov.com to RSVP.
