## **DINNER KEY MUNICIPAL MOORING FACILITY INFORMATION BULLETIN #1 JANUARY 5, 2009**

The City of Miami's Department of Public Facilities will begin accepting applications for moorings at their soon-to-be constructed Dinner Key Municipal Mooring Facility on Monday January 5, 2009. Applications will be taken on a first come, first served basis, and may be submitted in person at Dinner Key Marina or through the City's marinas website [www.miami-marinas.com](http://www.miami-marinas.com).

The facility, scheduled to open in June, 2009, will accommodate transient and long-term sail and motor vessels up to forty feet length overall, and will offer services and amenities such as a Harbormaster's Office with customer lounge; restrooms, showers, and laundry facilities; dinghy dock and customer shuttle service to moorings; pump out service; parking; and trash and recycling pickup. For further information please contact Daniel Muelhaupt at Dinner Key Marina at (305) 579-6950 or at [dmuelhaupt@miamigov.com](mailto:dmuelhaupt@miamigov.com).

The Department of Public Facilities will provide periodic updates on construction scheduling, relocation of anchored vessels within the mooring fields, requirements for securing moorings, and responses to FAQs – these updates will be found on our website (above) and by stopping by the Dinner Key Marina Office.
