

PUBLIC MEETING

Coconut Grove Village West Multiple Property Designation

PROJECT:

Wood Frame Vernacular **Residential Structures** of Coconut Grove Village West as a Multiple Property **Historic Designation**

PURPOSE:

The **wood frame vernacular** residences of Coconut Grove Village West are associated with the **overall establishment** and continued **settlement** of the area by black Bahamians, African-Americans from the South, and their descendants. These **significant structures** are associated with the **community's contributions** to the development of **Coconut Grove**.

PARTICIPATION:

Join the discussion of the proposed multiple property designation. Preservation staff will explain the designation process, what it means to be a designated historic resource, and what happens after designation.
