

PUBLIC MEETING

SHARE YOUR IDEAS ON LIBERTY SQUARE

Join the City of Miami Planning Department, Miami-Dade County Public Housing & Community Development and the project developer, Related Urban for a community discussion about a potential zoning change for the Liberty Square area bounded by NW 67 Street to the north, NW 12 Avenue to the east, NW 62 Street to the south, and NW 15 Avenue to the west.

PROJECT:

The project envisions a mixed-use development seeking to provide affordable housing to the current residents, increase the residential offer, and provide for retail/commercial uses, as well as civic and recreational areas.

PURPOSE:

The project as proposed requires certain adjustments to the Future Land Use Map and the Miami 21 Zoning classification to the properties involved. The City of Miami will be calibrating the modifications required to reach the project goals.

PARTICIPATION:

Join us to discuss the proposed zoning for the Liberty Square project as it has been conceived and planned.
