Dear Building Official:

I, \_\_\_\_\_ certify that I am not required to retrofit the Roof-to-Wall connections of my building because:

- The just valuation for the structure for purposes of ad valorem taxation is less than \$300,000.
- The building was constructed in compliance with the provisions of the Florida Building Code (FBC) or with the provisions of the 1994 edition of the South Florida Building Code (1994 SFBC).

When the just valuation of the structure for purposes of ad valorem taxation is equal to or more than \$300,000.00, and the building was not constructed in compliance with the FBC nor with 1994 SFBC, an Affidavit of Roof to Wall Connection Mitigation Retrofit must be provided.
